# SPECIAL TOMATO FOR SOMEONE SPECIAL

- Makes your precious happy -

This high sweet tomato is produced in Dalat, Vietnam.

Dalat is the southern part of Vietnam where is located in highland area with an altitude of 1,500m and also a place the starry sky is so beautiful.

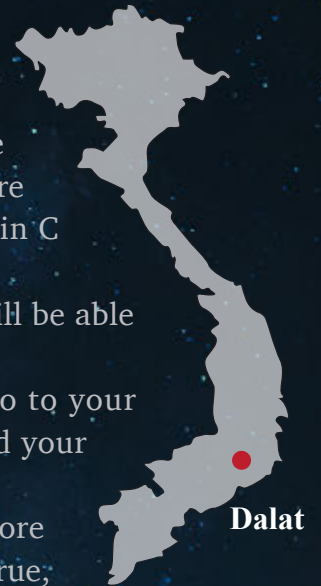

Although common tomato has a sweetness 5-6%, this tomato has 10-11% it's almost twice as common one, so it's also called fruit tomato.

The weight per fruit is small because of the control the water amount during the cultivation period, however the sweetness and nutrients inside fruit are concentrated accordingly, and the nutrients per unit weight are increased more than the common one, therefore It's so easy to take in lycopene and vitamin C effectively good for your health.

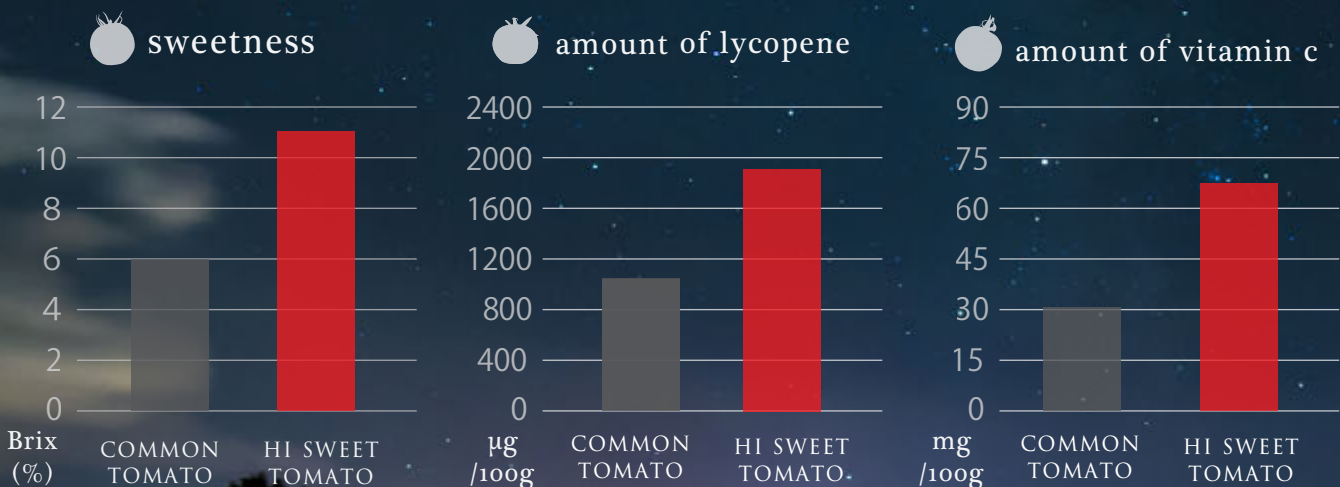

In Vietnam, high sweet tomato is a new product, and when you try it you will be able to feel the amazing sweetness you've never had before with a big surprise.

And we have a suggestion, Why don't you introduce this amazing tomato to your important person as a gift? You could be deliver a smile with a surprise and your precious will be happy.

And please don't forget to wish on this tomato for all thing is going well before you try that. because we always wish on our product for your dream comes true, like wish upon stars.
